# FOUNDING FAMILIES

At Highgate International School Thailand, our Founding Families hold a special place in our story. More than the first to enrol, they are partners in shaping the character and culture of our school from the very beginning.

Choosing to join us at the start means becoming part of a pioneering group of families who share our values and vision. It's a unique opportunity to play a meaningful role in our foundation, while enjoying recognition and a connection that will last for years to come.

## OUR OFFER

**All Founding Families who join in our first academic year will enjoy the following exclusive privileges:**

**Early access to our world-class campus.**

- o An invitation to our special Opening Gala in December 2026.
- o The opportunity to play a meaningful role in shaping the school's early development.
- o Recognition on a permanent Roll of Honour displayed in the school's Reception Hall.
- o Exclusive discounts and privileges at the school coffee shop, Siam Country Club restaurants, and selected hospitality partners.

**The first 100 students enrolled will also receive:**

- o A 50% reduction in the enrolment fee.
- o A complimentary set of school uniform.
